## PHILOSOPHY

Although she would be the last to brag about it, Jennifer has exceptional organization skills and works very well under pressure. She is calm and collected in every transaction. When working through problems, she partners with the client to find a solution that works for all parties. Her favorite part of the job is meeting new people from different walks of life, especially other native Austinites.

## PROFESSIONAL BACKGROUND

With over 30 years working in Title and Escrow, Jennifer Pospisil is truly one of Chicago Title's most experienced closers. Born and raised in Austin, she attended the University of Texas where she became a lifetime Longhorn fan. She began her career as a Legal Assistant for a large law firm in their Real Estate and Finance division where she became interested in the Title industry.

*Jennifer Pospisil is a Certified Escrow Settlement Associate (CESA).*
